Who are we and what do we do?
The National Appeals Division is an independent office that reports directly to the Secretary of Agriculture. Our job is to give you an opportunity to file an appeal and receive a hearing, on the telephone or face-to-face in your State, if you disagree with a program decision you’ve received from one of these agencies:

- Farm Service Agency
- Rural Housing Service
- Risk Management Agency
- Natural Resources Conservation Service
- Rural Business-Cooperative Service
- Rural Utilities Service

If you’ve . . .
Been turned down for a farm loan
Had your mortgage accelerated
 Been denied program payments or assistance, or
 Been denied a grant.

You can appeal to the National Appeals Division
